

# PARENTAL ENGAGEMENT – YOUR VIEWS MATTER!

Goldwyn feels that it is vital to work in close partnership with parents and carers to ensure the most successful outcomes for our students. We would like to make sure that we communicate effectively with everyone and ensure that parents and carers are as involved in our school community as they wish to be.

To get a better idea of what parents/carers would like from us, we have put together the short survey below, and would be grateful if you could complete this, letting us know your views, and send it back to us as soon as possible. We will use the information gathered to help us develop our communications with parents/carers going forward.
