

GOLDWYN SIXTH FORM NEWSLETTER - TERM 1

A HUGE well done to all sixth form students for their fantastic work this term and completing their planned units and a BIG thank you for staying safe and by abiding with the Covid rules implemented around sixth form.

It's been a fabulous beginning of the year after the difficulties prior to September. Despite staff shortages with Mat Cosier being off (not Covid related) – Get well soon Mat – staff have stayed positive and managed to continue delivery of lessons with excellent outcomes for students.

FREE SCHOOL MEALS

An email has gone out to all parent/carers regarding Free School Meals. Please make sure you apply. From next term if we have not had authorisation from KCC, we will not be able to issue a meal without payment. The link to apply is: <https://www.kent.gov.uk/education-and-children/schools/free-school-meals>

FOOTBALL

Thanks to Tyler M for his suggestion and co-ordination of a football team. For this term we have split the team into 2 over 2 days as there were lesson commitments. If successful we will try to arrange another game for Term 2 with 5-a-side involving all students.

HOW CAN YOU SUPPORT THE SIXTH FORM – **We need your old vehicles!**

Our vehicles in the workshop are becoming a little worn. If you or anyone you know have a vehicle which they could donate for students to work on it would be much appreciated.

BLACK LIVES HISTORY DAY – 23rd OCTOBER

Combined Studies set up a cross curricular workshop to take part in Folkestone's Black Lives History Day. The students researched the Windrush in 1948 when Caribbeans arrived to the UK to work after the war. They also focused on Claudia Jones, known as the mother of the Notting Hill Carnival which was started to celebrate black culture in 1955.

Students made head dresses and masks to display their work.
