

### Online Learning

Dear Parents / Carers,

Teachers have been working hard to prepare online work for all students; we will very soon be in a position to have this running “live” with some resources available. Please be aware that these resources will build up over time and cannot be available for all students in all subjects immediately.

You will find links and guides on the Online Learning section of our website (in Student Pages)

All students have been provided with a school email account and access to our cloud based file storage called Sharepoint. We also, have 4 learning platforms: Pearson, Keerboodle, SAMLearning and MyMaths.

We will be sending all your child’s usernames and passwords to your email address

Teachers will set work on Sharepoint for the week, this may be a pack of work or an instruction that work has been set on one of the learning platforms. Students need to navigate to their Centre’s folder (eg Goldwyn Ashford) and then to the subject folder. Current work will be named with the ‘week starting’ date.

Students are asked to send completed tasks back to teachers email accounts (they will have access to these when they use their email accounts on Sharepoint)

Work will be marked and returned to students via their email addresses.

Please can you ask your child not to email teachers outside of normal school hours.

If you have any questions or your child is unable to access work please email:

<a href="mailto:colllearning@goldwynkent.sch.uk">colllearning@goldwynkent.sch.uk</a>	Goldwyn Sixth Form College students

I am aware that there may be some students who are unable to access the internet or do not have a device on which to complete online work. We can provide paper based work packs; would you please contact your centre using the email address above if this is the case for your child.

These are unprecedented times and we will all need to collaborate to support the continued learning of our children / students.

If you have any problems, please contact the above email addresses in the first instance. If you do not receive a reply please contact me at: [pete.lewis@goldwyn.sch.sch.uk](mailto:pete.lewis@goldwyn.sch.sch.uk). We would appreciate your patience during this time, as we may not be able to reply immediately.

Yours sincerely,  
Pete Lewis – Vice Principal
