

# Goldwyn 6<sup>th</sup> Form – Functional Skills English Subject Statement and Long Term Plan

## **Functional Skills English - Statement of Intent**

Functional Skills are an alternative to GCSE, offering an engaging and vocational route towards achieving English qualifications that are nationally recognised and often a vital requirement for accessing training courses, apprenticeships and employment. With a focus on the fundamentals of reading, writing and speaking, listening and communicating, students are able to develop core literacy skills that are relevant and essential in everyday life.

### **Implementation**

Post-16 students do not need to formally study English if they have already achieved Level 2 Functional Skills English or GCSE English Language / Literature at Grade 4 or above. However, literacy skills will continue to be reinforced throughout the teaching of other qualifications, with particular emphasis on their use in the work place and real life situations.

Through a thorough analysis of each student's previous attainment and, where appropriate, baseline assessments using BKSB and WRAT (word reading, reading comprehension and spelling skills) completed in the first few weeks at Goldwyn 6<sup>th</sup> Form, their strengths and areas for development in literacy will be identified.

Students will then be taught core skills across speaking, listening and communicating, reading and writing, working towards NCFE Functional Skills English qualifications at Entry Level 3, Level 1 or Level 2. The flexibility of the formal assessments, available online or paper-based, means that students can sit, resit and progress onto the next level at any point throughout the school year.

### **Impact**

Students formally studying English will:

- have increased their confidence and motivation in learning English.
- recognise the importance of literacy skills and place greater value on them for improving their employability and independence.
- have developed their literacy skills and improved their attainment in English.
- be more able to use their literacy skills confidently, effectively and independently in everyday life.
