

GOLDWYN SCHOOL

Maths Curriculum Journey

11

Quadratic equations /
Perimeter, area, volume
Indices, standard
form / Congruence,
similarity, vectors
Algebra /
Revision
Revision
Revision
Exams

Multiplicative reason-
ing / Constructions, loci
and bearings
Ratio and proportion /
Triangles
Graphs /
Transformations
Geometry / Averages
FDP / Equations, inequal-
ities and sequences
Number /
Algebra / Graphs

10

Indices and standard
form / Algebra
Dealing with Data /
Multiplicative Reasoning
Constructions /
Sequences, inequalities
Circles / Pythagoras /
Prisms
Graphs / Probability
Comparing
Shape

9

FDP
Fractions / Straight
Line graphs
Lines and Angles
Real life graphs /
Decimals and ratio
Statistics / Expressions
and equations
Number / Area

8

Number skills /
Statistics & Graphs
Algebra / Decimals
and measures
FDP / Probability
Ratio and Proportion
Angles / Sequences
Geometric Transfor-
mations

7
